

# ECT+ PROGRAMME 2024-25

After the success of our ECT+ Programme in 2023-2024, we're pleased to offer the courses below in the next academic year. Each session offers valuable insights into complex issues facing teachers today, and we know you will find them incredibly helpful. All sessions are suitable for year one and year two ECTs, and anyone who has recently completed induction.

Each session is optional, delivered online after school hours, and is completely free! Scan the QR code to **secure your place below**.

We look forward to welcoming you to these sessions!
